

Beef Taco Salad

Printed from Beef Recipes at <http://www.beefrecipes.us/>

A classic beef taco dish that makes for a perfect weeknight dinner, this easy and delicious dish is easy to prepare. Saute beef and layer it with cheese and chopped vegetables and top with salad dressing for a delicious and savory meal that everyone else will love.

Ingredients:

- 1 lb ground beef
- 1 (15.5 oz) can chili beans, undrained
- ½ c. chopped green pepper
- 1/3 c. onion
- 1 (2.25 oz) can sliced ripe olives, drained
- ¼ tsp salt
- 4 c. shredded iceberg lettuce
- 1 ½ c. shredded Cheddar cheese
- ½ c. chopped tomato
- 1 c. salad dressing such as ranch
- 1 package taco salad shells or 4 c. tortilla chips

Directions:

1. In large skillet cook beef over medium heat. Drain excess fat. Stir in beans, green pepper and onions. Heat through.
2. Arrange taco shells or tortilla chips on plates. Layer lettuce, beef, cheese, and tomatoes until all beef has been used.
3. Top with salad dressing of choice. Serve immediately.
